

Apron Feeder Parts & Servicing - Berco Range

For all apron feeder makes & models

Authorised Distributor

Transmin is an authorised Australian distributor of Berco chain & compenetry, with access to Berco's entire range.

D3 to D11 Chain

We supply the full kit, including heavy duty track chain (D3-D11) pans, sprockets, rollers, fasteners... the works.

Full Service Available

Transmin's dedicated Service division can also handle the full change out and install of your apron feeder parts & compenetry.

Easy to Switch & Save

If you're currently using CAT or any OEM chain, the switch to Berco is easy, and can save you \$\$\$!

The Berco Range

Berco have been an established name in track and undercarriage chain since 1920. High-quality materials and careful manufacturing processes ensure that Berco undercarriage components are reliable, durable and wear at a predictable rate. Longer life and controllable wear mean that you achieve maximum undercarriage performance at the lowest operating cost. Berco call it **"Best Undercarriage Value"**.
